

# Basic Detail Report

---

## Masquerade of the Military Industrial

## Complex Looking Down on the Insect World

Date

1992

### Medium

Oil and mixed media on canvas

### Description

Five panel work combining a background of the cosmos and detergent logos with images of the American flag, insects, a stylized stealth bomber, handprints, a butterfly, pencils, and a breast overlaid with an image of Mars. There is also a slit cut into Mars where the hands of a clock jut through, and a grid of pencils stuck through the canvas and a sheet of mesh.

### Dimensions

7 1/2 ft x 29 ft: 90 x 350 in. 228.6 x 889.0 cm

### Classifications

Paintings

### Credit Line

Founders Society Purchase, gift of Mrs. George Kamperman, by exchange
